FREQUENTLY ASKED QUESTIONS

Q What are the cars like to drive?

A Although these are real race cars even non experienced drivers will find themselves at home and our team will ensure you are fully briefed for a safe and exciting day at the track. Experienced drivers will find their skills tested to the limit as they try to set the ultimate lap time.

Q Do I have to book or can I just come to the racetrack?

A Booking is essential. We only operate the driving experience on certain days, however if the track is not booked we can sometimes accommodate you on short notice.

Q Do you still operate in wet weather?

A We run full wet weather set-ups and our experiences run except in extreme weather conditions.

Q Do I need safety gear or a racing license?

A No, Formula Challenge provides it all.
